**To the extent contracts are the present terms and conditions.**

#### **§ 1 General provisions and scope**

#### **§ 2 Contract**

#### **§ 3 Compensation, supply and delivery**

#### **§ 4 Payment terms and consequences of default**

#### **§ 5 Retention of title**

#### **§ 6 Withdrawal and follow-**

#### **§ 7 Warranty and guarantee conditions**

#### **§ 8 Liability**

#### **§ 9 Final Provisions**

### **§ 1 General provisions and scope**

The terms and conditions apply to all business between the buyer and the seller. They also apply to all future business, even if not expressly agreed again. Relevant is valid at the time the contract was valid version.

Buyer in terms of the present Conditions are both consumers and entrepreneurs. Consumers according to the terms of any natural person, entered the business relationship and is acting for purposes which are neither commercial nor their independent vocational activity may be attributed. Contractor within the meaning of terms is any natural or legal person or unincorporated company, entered the business relationship and acts in pursuit of commercial or self-employment.

Of the present terms & conditions these conflicting or supplementary terms and conditions - even when known - is not part of the contract, except where their application is approved in writing.

### **§ 2 Contract**

All offers are subject to change. Stated delivery times are not binding.

If an item is set by the seller as part of a so-called online auction, the activation of the PGPARTIST COPYRIGHT and auction platform supply side of the binding offer to conclude a sales contract. This is for the buyer, during the term of the auction the highest bid and meets any additional conditions set out in the offer. The offer may be accepted during the individually determined duration of the

online auction.

The buyer accepts the offer by placing a bid. The bid will lapse if a third party releases during the term of the online auction a higher bid. Relevant for the measurement of the duration of the online auction is the official offer period. With the end of each term of an online auction or in the event of early termination, this is between the seller and the buyer submitted the highest bid the contract.

If an item in a so-called online auction set and also provided with the "Buy Now" feature, the contract between the seller and the buyer regardless of the expiration of the term and without conducting an online auction being held to that in option of certain fixed price if the buyer exercises the option. The option of the contract at a fixed price may be exercised as long as no bid has been received to the article.

If an item is set exclusively with a fixed price format, is the enabling of the supply side of the binding offer to conclude a purchase contract for the stated price. The contract between the seller and the buyer comes when the buyer meets the conditions contained in the offer, the "Buy Now" clicks and confirms the operation with his password.

The seller does not supply risk. The conclusion of a purchase agreement is subject, in the case of incorrect or improper delivery by suppliers, not performance or only partially. This only applies to the case that the non-delivery is not represented by the seller - especially when a congruent hedging transaction with suppliers. In the case of non-availability or only partially available, the buyer will be informed without delay, the payment will be immediately refunded to the buyer.

### **§ 3 Compensation, supply and delivery**

The respective prices are all gross amounts - ie they include all price components - including all taxes, including VAT.

All prices are - unless otherwise expressly agreed in writing - no packaging, freight, postage and insurance. When sending goods - with the exception of books - both domestically and abroad, therefore, be subject to additional shipping and handling costs. These costs of shipping, the amount will depend on the actual proposal in connection with the statements made and are reported separately, has to take account of the buyer from the location of the seller. If the buyer requires an explicit (transport) insurance provided or if such a result of the further terms and conditions shall entitle the seller to provide the incurred additional costs to the buyer separately.

The nature of the shipment shall, if no express agreement was made with the buyer, the seller's option.

For entrepreneurs, the risk of accidental loss and accidental deterioration of the sold goods with the delivery to himself or herself or an authorized person, the dispatch of purchase - even with delivery free of charge - with the delivery of goods to a suitable transport person. For consumers, the risk of accidental loss

and accidental deterioration of the thing sold is always on with the delivery of the goods to the consumer. The handover is the same, if the buyer is in default of acceptance.

If the dispatch request or fault of the purchaser by more than two weeks after notification of the dispatch was the seller, the seller is a flat rate charge for each month storage fee of 5% (five percent) of the price of the goods delivered. The buyer is entitled to prove that the seller does not damage or significantly less damage was sustained, the seller is entitled to prove that higher damage has occurred. Further rights of the seller are not affected.

#### **§ 4 Payment terms and consequences of default**

The buyer has to pay via payment in advance, the seller reserves the right to exclude certain types of payment. Are largely within the particulars of the supply side.

The buyer agrees to all amounts within 10 days (ten days) to come about to pay the purchase agreement without deduction, whichever is the receipt of the money to the seller. After unsuccessful expiry of the period the buyer without any further explanation of the seller in default. A consumer has on defaulted debt at the rate of 5 (five) percentage points above the Base interest rate. An entrepreneur has to pay interest on defaulted debt at the rate of 8 (eight) percentage points above the prime rate, the seller reserves the right to prove a higher interest rate and claim.

The buyer has a right to compensation only if his counterclaims have been legally established or recognized by the seller. The buyer can only exercise if his claim is based on the same contract.

#### **§ 5 Retention of title**

For consumers, the seller retains ownership of goods sold (conditional goods) until full payment of the purchase price, in case of companies until full settlement of all claims arising from the ongoing business relationship. The buyer is obliged to handle the goods with care during the retention of title.

The buyer is required during the reservation of ownership, the seller of third party access to the goods - eg in the case of a seizure - as well as any damage to or destruction of the goods without delay and provide all information and documents available, which are to safeguard the rights of the seller is required. Enforcement officials or third parties must have the property of the seller. A change in ownership of the goods and their own change of residence must notify the buyer immediately.

In contradiction of contract - especially in case of default or in breach of a duty under subsection 2 (two) and three (3) of this provision - the seller is entitled to rescind the contract and reclaim the title product.

#### **§ 6 Withdrawal and follow-**

# PGPARTIST COPYRIGHT

Consumers means in respect of goods purchased a right in accordance with the following instruction:

## 1. Withdrawal

The consumer may cancel the contract within 14 days (two weeks) without giving reasons in writing (letter, fax or e-mail) or by returning the goods. The period begins with the date on which the instruction has been communicated in writing, but not before the date of receipt of goods. The revocation period is sufficient to send the revocation or thing. The revocation must be sent to:
